AGENDA NO. 03:**REPAIR & MAINTENANCE OF GARBAGE COMPACTOR VEHICLE (8 M³)
BEARING NO. WB 23 E 6226**

Garbage Compactor Vehicle (8 m³) bearing No. WB 23 E 6226, (HYWA) procured under the aegis of Swachhta Action Plan (SAP) by the Board for conservancy services in the FY 2016-17.

There are several benefits that come with the said compactor. The ibid vehicle being used to collect garbage and can deliver:

- **Reduced traffic on premises:** Lower waste volume means fewer collections are needed
- **Reduced labour costs:** Compactors loaded by bin tippers, conveyor belts and dump trucks, eliminating the need to handle waste directly.
- **Environmental benefits:** Less space used in landfills creates more efficient use of space overall. Fewer collection trips create less CO₂ emissions attributed to environment.

The ibid vehicle is being required to its complete overhauling, repair and maintenance work as it's hydraulic part being effected due to non-servicing of its till date from its procurement. This office contacted with the authorised dealer to carryout inspection for overhauling of the ibid vehicle.

M/s. Dey Logistics & Services Private Limited, an authorised dealer of HYWA i.e. Garbage Compactor Vehicle submitted its quotation vide its Ref. No. DLS/QTN/22-23/BKPCB01 dated 12.04.2022 an estimated amount of Rs. 1,18,590/- (Rupees One lac eighteen thousand five hundred ninety only).

The concerned file alongwith all relevant documents are placed on file for further course of action.

RESOLUTION:

Considered & approved. CEO is authorised to take necessary action in this regard.
